**GARDENING FRANCHISE
EXPLAINED**

The Role of the Home Service Gardening Franchisee: Empowering Home Service Professionals

At Itzhome, we offer more than just a traditional home service business – we provide a real opportunity for entrepreneurs who are looking to build a flexible, scalable business providing gardening services in their local community.

ITz stands for – In The Zone – defined as – “a mental state of focused concentration on the performance of an activity”.

The role of a the home service gardening franchisee is to provide great gardening services to clients that book through the Itzhome booking platform. You will be servicing homes in and around your local area aiming to provide the very best of service that matches the values of what Itzhome stands for. These values include **reliability, customer care, and a passion for making life easier for homeowners.**

All Itzhome professionals, partners and franchisees share the Itz endeavours. **We are gogetters.** The kind of people who are relentless about our mission to help people care for and improve their home and earn their way.

As a franchisee, you will play a pivotal role in growing the Itzhome brand in your area by providing homeowners with trusted, high-quality gardening services.

It's about **offering a wide range of gardening services** that make people's lives simpler. Your role will be to manage your bookings (all provided through the pro app) and you will have the flexibility to build your business the way that best suits your goals.

Our bespoke, state-of-the-art online and cloud-based systems will be your backbone, enabling you to run your business from your phone and on go. Gone are the days of dealing with endless paperwork or manual processes. We've perfected the operational systems, **making it easier than ever to manage** client bookings, recruitment, payments and everything in between.

The Itzhome model is designed for the modern entrepreneur. All you need is a phone, computer and an internet connection (5g also works) to get started.

CONNECTING HOMEOWNERS WITH TRUSTED, HIGH-QUALITY GARDENING PROFESSIONALS.

A Market with Huge Potential

Across the UK, and globally, millions of homeowners struggle to keep up with everyday chores.

In the UK alone, **the domestic gardening market is worth a staggering £5 billion** and continues to grow. With families working longer hours, relying on two incomes, and the growing demand for assistance from aging populations, there has never been a better time to enter the gardening market.

Itzhome is uniquely positioned to meet these needs, offering a service about making homes run more smoothly. Whatever gardening services your clients need, Itzhome provides an integrated solution to their problems.

How Itzhome Works for You

Unlike traditional businesses where you may need to juggle multiple tasks, **Itzhome provides you with proven, easy-to-follow systems** that allow you to manage and grow your business efficiently. Our online tools automate time-consuming processes, so you can focus on what truly matters: delivering a great service and growing your revenue.

Your role as an home service gardening franchisee will have two main components:

1

Looking after your clients: You'll be connecting homeowners with the gardening services they need and building strong relationships with your clients.

2

Growing your business: We will show you how to grow your business, secure more clients and how to service the customers that book on the Itzhome platform. You get to decide how many clients you want and how busy you want to be. Whether you want to work part time or full time you are in charge.

As a franchisee, you will benefit from a proven sales and marketing strategy that helps secure clients quickly. Our operational systems are designed to minimize time spent on administration and maximize your focus on growing your business. With Itzhome, you get all the tools you need to hit the ground running and build a profitable, flexible gardening business.

BY OFFERING A PLATFORM-BASED APPROACH TO HOME SERVICES

The Future of Home Services: The Power of On-Demand

Platforms

In today's fast-paced world, convenience is king – and on-demand services are revolutionising how we access the things we need, when we need them. **Platforms like Uber and JustEat** have already proven how consumers crave immediacy and flexibility, and this trend is rapidly growing across various industries. The same shift is now happening in the home services sector, and Itzhome is poised to lead this transformation.

As a franchisee, you'll be tapping into the growing demand for on-demand home services. Much like how **Uber revolutionised the taxi industry** or **JustEat changed how we order food**, Itzhome is leveraging technology to provide homeowners with an easy, seamless experience when booking essential services, whether it's cleaning, maintenance, or other domestic chores. With a simple tap on their phone or a few clicks online, customers can access high-quality, reliable home service professionals who meet their needs – fast.

Consumers today are accustomed to using apps and platforms to solve problems on their own terms. Whether it's a ride, a meal, or even groceries, the world is shifting toward an “instant gratification” culture where people expect quick, reliable, and easy-to-use services. Itzhome capitalises on this by offering a platform-based approach to home services, combining cutting-edge technology with a personal touch.

For Itzhome franchisees, this means:

A Seamless, Technology-Driven Experience: The bespoke platform allows customers to easily book services, track progress, and pay all through one app, creating a frictionless experience that encourages repeat business and customer loyalty.

Scalability: The on-demand model means you're not just relying on a traditional client base – you're creating a dynamic, flexible system that can adapt to peak times, special requests, and even last-minute bookings. It's a business model designed for growth.

Market Adaptability: As consumer expectations continue to evolve, those who embrace on-demand services will be ahead of the curve. The rise of on-demand platforms in other industries makes it clear – home services are ready for disruption, and Itzhome is perfectly positioned to lead the way.

By joining Itzhome, you're building a future-proof home services business that aligns with the technological and cultural shifts happening in the marketplace. As an Itzhome franchisee, you will be part of a growing network that offers on-demand services, giving customers the flexibility and convenience they expect, while providing you with a scalable, profitable, and efficient business model.
