WHY IS IT SUCCESSFUL

Why Is It Successful: Why is Itzhome Growing Every Day…

This section explains the Itzhome opportunity in detail, and why it is so unique, so successful and why it creates a truly remarkable business opportunity for the right person.

Your market

The demand for home services has never been greater. Millions of homeowners are waking up every day asking, "How do I find the time to keep my home in order?"

With busy schedules and the pressures of daily life, **the need for reliable, on-demand services has skyrocketed.**

We're operating in a rapidly expanding industry, with the home services market expected to continue its explosive growth. The rise of digital platforms has shifted consumer behaviour, and people are now looking for services they can book and rely on with just a few clicks. With more and more individuals working from home and seeking flexible solutions, the need for on-demand services available by Itzhome has surged.

The market is vast, and there's an abundance of untapped potential. Even though we've experienced incredible growth, there's still an enormous number of households and businesses in need of the services available on Itzhome with this list growing all the time.

Itzhome is the perfect business to tap into this growing market, Itzhome offers home professionals an amazing opportunity to provide high quality home services to home owners that book on the platform. As a home service professional franchisee you can access his high demand in just a couple of clicks.

ITZHOME IS POSITIONED PERFECTLY TO MEET THIS

With the need for professional, reliable home services continuing to rise, Itzhome offers the perfect business opportunity to meet the growing demand. Whether you're looking to supplement your income or **build a scalable business**, the home service sector offers endless possibilities. Just as Chris found success in the industry 30 years ago, there's never been a better time to step into this market and create the lifestyle and business you've always dreamed of.

If you've been exploring various business opportunities, you've no doubt come across several options, but none that quite spark that "aha" moment "ive found what ive been looking for". Sound familiar?

That's because you're probably looking for a business opportunity that will allow you to make a real, positive change in your life—one that's built for success in today's fast-changing world.

History In The Franchise Space

- Poppies was the very first cleaning franchise in the UK
- It has a near 45 year track record, and it's this know how and experience that has been invested into the Itzhome franchise opportunity
- On Demand home services are here and you can join a growing franchise network to delivery your chosen home service in your territory of choice…

Right now, you're faced with a few possible options…

Or maybe you're interested in starting small—working only a few hours a week then transitioning into a business you can scale up as our income grows. Itzhome offers a flexible model that can adapt to your goals and lifestyle, giving you options as you grow.

ITZHOME IS THAT OPPORTUNITY FOR GROWTH - PROVIDE HOME SERVICE LOCALLY

As the demand for home services continues to rise, more people are turning to businesses like Itzhome to meet their needs. The beauty of this opportunity? You're tapping into an industry that's booming and perfectly suited for today's busy consumer. With Itzhome, you're entering a growing market with a proven model designed for scalability and success. All you have to do is delivery your home service of choice.

Just like other successful franchisees, you'll have the opportunity to build a thriving business while enjoying the freedom to work on your terms. Whether you're looking to smash it from day one or start working around your job, the beauty of the Itzhome business is that is can be adapted to suit your lifestyle.

"Keep grinding away at your current job – but you're already over that, right? That's why you're here, looking for something more."

"Go back to education and hit the books again – but let's face it, that's a long road with no guarantee of where it leads."

"Change jobs? More of the same, just with a different title."

"Work for the money... but what about doing something for yourself? Why wait for retirement to take control of your future?"

"Find peace and solitude on a mountaintop – tempting, but let's be real, that doesn't pay the bills."

Whatever your reason for exploring new opportunities, we understand that it's time to take a step forward. You're looking for a chance to create the lifestyle and business you've always wanted. And with Itzhome, you can achieve those goals, deliver a home service you love in your local area and deal with the jobs we send you. Work around the hours you choose. It's your business you are in control.

Over the last 40 years the management team have supported many franchisees that were once where you are now. There are many examples of entrepreneurs achieving their ambitions of building successful businesses.

We believe that **anyone with the right mindset, drive, and determination can succeed in this business -** no matter their background.

Franchisees our team have supported come from all corners of life, each bringing their own unique experiences, skills, and perspectives. What they all have in common is a shared passion for building something of their own, creating a better work-life balance, and being part of a growing industry. Some had corporate careers and were looking for a way to **break free from the 9-5** grind. Others had experience in hospitality, sales, or even teaching. Some were looking to transition into a more hands on role while others were simply searching for a new challenge and a chance to take control of their future.

Soniya & Lester - Richmond

I wanted to invest in a franchise which would support us to ensure it was a success

Now felt like the right time to launch a business we're truly excited about. We recognise the importance of excellent customer care and providing a high-quality service for every customer in their home or at their business. Our aim is to help people who are struggling to juggle work and home life by delivering a first-class service.

I'm an extremely driven person, and I don't like giving any less than 100%, so I know I'm going to work incredibly hard to create an amazing team and provide that exceptional level of service.

With Itzhome, you have access to a streamlined system that can be operated entirely from your phone, **minimizing business admin** and giving you more time to focus on growing your business and enjoying your personal life. Bookings are sent in real time directly to your mobile!

Whether you're looking to scale your business and deliver a great service to many clients team or start small and grow at your own pace, the model is designed to work for you.

The flexibility of the Itzhome business model means that you can fit it around your lifestyle. You'll be equipped with the tools and systems to run your business smoothly and efficiently, allowing you to thrive in a high-demand market of delivering your home service of choice!

You'll receive ongoing training, support, and mentorship, and you'll benefit from being part of a brand that stands out in a crowded marketplace.

The home services market is growing rapidly, with more and more **consumers seeking on-demand services** that **fit into their busy lives**. Itzhome is tapping into this high-demand sector, providing franchisees with the opportunity to build a highly profitable business with low startup and running costs. With hundreds of thousands of households already using home services, there is still a massive untapped market, and those who get involved now will reap the rewards in the years to come.

What sets Itzhome apart from others is you will be sent jobs to service that have booked on the platform. We call it your FAST GROWTH BUSINESS GROWTH PLAN - JOBS SENT TO YOU

The Itzhome business opportunity is powered by a proven system that combines a booming market, sophisticated booking tools, and a comprehensive support program. This makes it the ideal time to seize the opportunity and build a successful, scalable business.

The model works:

- It works for our franchisees
- It works for customers
- It works for you looking for extra business and jobs

At Itzhome,

We recruit two key types of home service professionals to deliver exceptional service to clients: self-employed individuals (often “1-man bands”) and small SME companies looking to expand.

Self-Employed Professionals (1-Man Bands)

For self-employed individuals, Itzhome provides a unique opportunity to transition from working alone to growing their business within a supportive framework. Many self-employed professionals are experts in their field, but they lack the resources, marketing reach, or systems to scale their operations effectively. By partnering with Itzhome as a home service franchisee, they gain access to:

- **A Proven System**: Our streamlined processes, including our marketing strategies, recruitment tools, and customer management systems, make it easier for them to grow their business without being bogged down by administrative tasks.
- **Increased Visibility**: Through the Itzhome brand and marketing initiatives, they can attract more clients and increase their exposure in a competitive marketplace. This helps them gain a more regular income stream that is achieved by a steady stream of ongoing bookings, sent directly to you.
- **Support & Training**: Self-employed professionals gain access to our comprehensive training programs and ongoing support. From marketing to customer management, they’ll receive the resources needed to succeed and scale.

Small SME Companies Looking to Grow

For small businesses or SMEs in the home service sector, Itzhome offers the perfect opportunity to take their operations to the next level. Many small businesses struggle with the challenges of managing growth, marketing their services effectively, or expanding their reach. Partnering with Itzhome as a home service franchisee allows them to:

- **Leverage a Strong Brand**: By becoming part of the Itzhome network, they align themselves with a trusted, well-established brand that customers already recognise. This provides instant credibility and the tools to increase their market share.

- **Scale Their Operations**: With the support of our systems, marketing campaigns, and recruitment tools, SME owners can focus on scaling their business without worrying about the logistics or administrative burdens that come with expansion.

- **Access to Ongoing Support**: We provide continuous training, business development resources, and mentoring, helping SMEs navigate the challenges of growth and ensuring they're on track to achieve their long-term business goals.

Why Is It Successful: We Provide Franchisees With What They Want

Itzhome understands that today's consumers are actively searching online for solutions to their home service needs, and our sophisticated systems and marketing strategies will position your business in front of them exactly when they need it most. We provide clients with an easy to use app so they can make bookings quickly - when they book you get sent the job

For each client who joins Itzhome's home service platform, they pay an hourly rate for the services. As a franchisee, you'll earn a portion of that fee, with a small percentage going toward supporting the growth of the business and ongoing franchisee support.

As we always say: Revenue is vanity; profit is sanity. In the following sections, we'll show you exactly how you can quickly scale your business, reach five or six-figure turnovers, and build a profitable, sustainable model with Itzhome.

Itzhome provides franchisees with exactly what they're looking for:

- A Business That Works and Generates Profit.
- The Flexibility to Work as Much or as Little as You Want, as long as you comply with the franchise agreement.
- Run Your Business around your life, allowing you to maintain a great work-life balance.
- A Lifestyle Business that fits around your life and goals.

This is your business – you have full control. Whether you want to take long holidays in the summer or have Christmas off, the choice is entirely yours. At Itzhome, you are the boss, and you can shape your business to suit your lifestyle and goals.

By securing the clients onto the Itzhome platform, the beauty of the technology is they can liaise directly with you as a home service franchisee to deliver a great service

This means you have direct access to the clients that are booking, you can provide quotes, arrange times to see them and operate a booking platform that is easy to provide you with jobs.

The Obvious Truth

People are actively searching online for home service solutions, and with Itzhome, our marketing strategy has the power to attract prospects from anywhere within your local territory and from people specifically searching in your area.

We provide you with all the tools and training to offer a great service in your local area. We'll teach you how to leverage the clients that book uyour

services by gaining referral business, and we'll assist you every step of the way to master the critical skill of keeping your clients happy. To start, we'll actually run your marketing for you, we will make bookings ongoing for you, so you don't need to worry about a thing.

Forget the hassle of SEO, pay-per-click campaigns, or any other complicated marketing jargon – it's all handled for you - we send you fully qualified jobs

As part of your Itzhome franchise package you select a percentage of your franchise fee goes directly into marketing efforts on your behalf (the exact amount depends on the franchise package you select). This means you'll be able to answer your potential clients' questions and address their concerns while engaging with them until they either make a purchase or opt out.

We'll teach you the latest strategies to drive business through social media, local online forums, follow-up emails, and more (you dont need to do this if you dont want and we will just send you jobs, but it is there to help you grow).

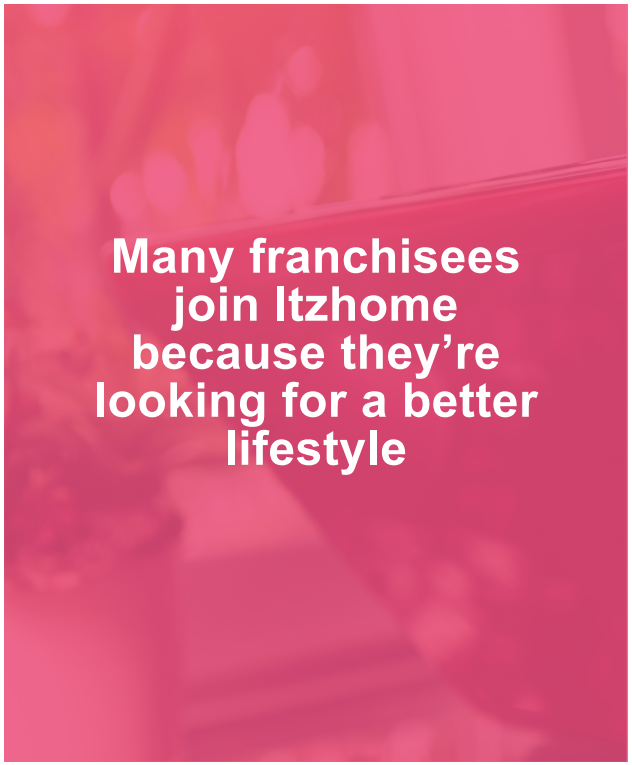

We will provide you with an easy to use booking platform to receive jobs and collect payments quickly, all the hard work has been done for you. By following our system, your business can quickly scale very quickly. Our franchisees achieve this through repeat business, which means your income grows from loyal customers and steady work.

Another key benefit of the Itzhome model is that you're never dependent on just one customer. This reduces the risk that many small or startup businesses face when they lose a large client. Your business will be stable, scalable, and built for long-term success.

Many franchisees join Itzhome because they’re looking for a better lifestyle – one that gives them the flexibility to delivery a great home service backed by a proven business model, based on their own terms, with hours that fit their goals.
